

A diagram consisting of four interlocking chevrons arranged in two rows. The top row has a light blue chevron pointing right labeled 'Lbn' and a light red chevron pointing right labeled 'Hn'. The bottom row has a light green chevron pointing left labeled 'Fnt' and a light yellow chevron pointing left labeled 'Rt'. The chevrons are interlocked such that the right side of 'Lbn' fits into the left side of 'Hn', and the right side of 'Fnt' fits into the left side of 'Rt'. The entire set is outlined in black.

**Lbn**

**Hn**

**Fnt**

**Rt**
