

A diagram consisting of four chevron-shaped boxes arranged in two rows. The top row contains a pink box pointing left labeled 'H11' and a light blue box pointing right labeled 'Lbn'. The bottom row contains an orange box pointing right labeled 'Rb' and a light green box pointing right labeled 'F0'. The boxes are outlined in black, and the green box has a white border.

**H11**

**Lbn**

**Rb**

**F0**
